We have applied for the necessary permits and maintain all legally required liability insurance. In addition, by order of the County of Los Angeles Public Health Department we are required to abide by the safety protocols outlined in Appendix J. A Covid-19 Compliance Officer will be assigned to us to enforce those safety protocols and monitor compliance. In an effort to minimize physical contact, we are leaving you this letter and community survey form which we ask that you either fill out and leave on your doorstep, call or email us your reply.

We are conscious of minimizing our presence by demonstrating extreme care and consideration while we are guests in your neighborhood.
